We are excited to utilize the playground that was provided to us by the Philadelphia Eagles. Please adhere to the following playground rules and expectations:

- The playground is to be utilized by students only.
- Students are permitted to use the playground at the discretion of the school team. The playground is not open in the morning at admission. The playground will close promptly at 3:35 PM at the close of the school day.
- The school team has the right to open and close the playground as needed.
- The playground is always closed during inclement weather (rain, snow, etc.)
- All students must be supervised while using the playground. School staff is responsible only during the school day when permission is given. Parents are responsible for their children if they permit them to use the playground during dismissal.
- Students are required to use the equipment properly (i.e. sliding down the slide, not walking up, etc.).

VISITOR POLICY

Parents and guardians are encouraged to visit schools and meet with teachers and administrators about their child's progress. Visitors to Lawton must present themselves to the school office or have standing permission from the principal. To provide safe and orderly learning environments, each visitor to public school buildings or grounds must receive authorization from the school principal or his/her designee.

Community and Parent Volunteers in our School:

Any parent/guardian or community member who wishes to volunteer their time helping support our staff and students at Henry Lawton School MUST have proper clearances first. Please click the link for more information [Family and Community Engagement](#)

ATTENDANCE AND TRUANCY

School officially begins at 9:00 a.m. The gates will open at 9:00 a.m. to begin admission/supervision and students will have until 9:10 to get to their classroom. Your child will be marked late if they arrive after that time. Breakfast will be provided to all students as they enter and will be eaten in class.

Dismissal will begin at 3:20 p.m. for Kindergarten and Special Education programs. Grades 1 through 5 will be dismissed at 3:30 p.m. daily. Please note that Kindergarten will dismiss students at 12:30 the first five days of school; Monday, August 26, 2024 through Friday, August 30, 2024. On these days, Kindergarten students will dismiss through the "B" door on Lardner St.

All students will be dismissed from the doors that they enter from (see above). Please be sure that all pick up information is current by advising teachers and the Main Office of any changes.

Please ensure that all child care agencies are fully aware of dismissal times, procedures and expectations.

All students should be picked up promptly by 3:30 PM. Any family that does not adhere to the pick up time will be required to meet with the principal to discuss further actions.

In alignment with the School District of Philadelphia Policy, all absence notes need to be submitted within 3 days of the student returning to school. Coming to school every day is extremely important for all students. As a reminder, students in Philadelphia are expected to be in school for a minimum of 95% of the time. That means that your child cannot miss more than 8 days of school per school year. Both excessive absences and latenesses can result in a truancy/DHS referral. Please ensure that your child arrives at school every day at 9:00 AM. [Attendance & Truancy | The School District of Philadelphia](#)

 - We are Safe
 - We are Responsible
 - We are Respectful

FOCUSING ON THE POSITIVE

- When students follow rules “above and beyond” our expectations, they earn “PBIS Points”
 - PBIS Points can be earned for displaying our school values, attendance, and uniform adherence
 - PBIS points are used to determine participation in PBIS Events
 - Students can also spend PBIS points at the “school store,”

CONSEQUENCES

- Consequences are designed to encourage students to follow the rules.
- Consequences do not fix the problems a student has caused when they break a rule.
- Our consequences are progressive and will be applied appropriately as required.
 - Such consequences may include loss of privileges and/or participation in school-wide or grade-level activities (5th Grade Dance) and events, detention, alternative class assignment, team interventions, In-School suspension, suspension, (financial/physical) replacement of lost/damaged property.
